

## WINE OF THE MONTH

**Erste + Neue** was created in 1986 as a result of the merger of Erste Kellerei (1900) and Neue Kellerei (1925) and creates top alpine wines, pressed in harmony with nature using not only the latest technology but also drawing on the experience and love of experimentation demonstrated by previous generations. Alto Adige region is one of the smallest winegrowing regions in Italy. It does, however, rank among those with the most diverse terroirs with altitudes raging between 250m and 1,000m means long ripening times and along with considerable temperature differences between day and night ensures complexity and longevity.

**Domaine Thunevin-Calvet** was conceived in 2001 from a meeting between Jean-Luc Thunevin, owner of Château Valandaud (Premier Grand Cru Classé B), the original garagiste movement winemaker of St-Emilion and Jean-Roger Calvet, young winemaker from Maury, in the Roussillon and quite fittingly this whole project started yet again in a garage!

A blend of 50% Grenache, 30% Syrah and 20% Carignan. Floral and bursting with cherries and raspberries. Full-bodied, supple with a creamy texture and a lingering finish.
