211	<b>Chateau Cissac 2016</b> <b><i>Cru Bourgeois, Haut-Médoc, France</i></b> Cissac is always a good honest Haut Medoc. The 2015 offers Cissac's core values plus an extra sprinkling of class. The bouquet is floral and dainty with notes of cherry blossom, loganberry, plums, cloves & incense. On the palate there are waves of soft, creamy, spiced plums and berries. Texturally, this is really quite opulent, with a solid mid-palate of decadent purple fruit, neat tannins & a refreshing finish.	79.00

- 318 **Chateau Lafite Rothschild 2009** 975.00  
*1er Grand Cru Classé, Pauillac, France*  
There is an almost raspberry hint to the nose of the 2009 Lafite; just a suggestion of the elegance to come. Make no mistake; this is sublime. Rich damson & blackberry fruits merge beautifully on the palate with silky, cashmere tannins that glide over the tongue & then are gone. An ethereal perfume rests in the mouth after the long finish, almost as if one is breathing the wine. Absolutely harmonious, this is a magical wine.
- 305 **Chateau Mouton Rothschild 1989** 1200.00  
*1er Grand Cru Classé, Pauillac, France*  
“The Mouton '89 is a lovely Pauillac that has reached its plateau of maturity. It has an engaging cedar-scented bouquet touches of cigar box, mint and a touch of Italian cooked meats. Very well defined, very “old school”. The palate is medium-bodied and very harmonious with grainy tannins. It continues the aromatic theme of cedar and tobacco, relatively foursquare compared to Pichon-Baron of Lynch Bages, with a slightly leafy finish that demonstrates great persistency. It is very “classic” in style, restrained, elegant and bearing similarities to Lafite. Drink now-2030.” **WA- 95 Points**
- 300 **Chateau Lafite Rothschild 1999** 1350.00  
*1er Grand Cru Classé, Pauillac, France*  
“The 1999 Lafite Rothschild sports an engraved "1999" on the bottle along with an eclipse to mark that significant historical event of August 1999. A quintessential offering from Lafite Rothschild, this prodigious wine is both elegant and intensely flavoured & almost diaphanous in its layers that unfold with no heaviness. An opaque ruby/purple colour is accompanied by a complex bouquet of lead pencil, graphite, cedar, crème de cassis, toast, & vanilla. Medium bodied with extravagant layers of richness yet little weight & a finish that is all sweetness, ripeness, & harmony, this extraordinary Lafite increasingly appears to be a modern day clone of the majestic 1953. A mere one-third of the crop made it into the grand vin! Anticipated maturity:2007-2030” **Robert Parker December 2003 - 95 Points!**
- 303 **Chateau Lafite Rothschild 1990** 1750.00  
*1er Grand Cru Classé, Pauillac, France*  
“ A bottle tasted, of all places, in Seoul, Korea in February, was only a few points short of perfection. That amazing performance motivated me to pull another bottle out of my cellar and follow it over the course of two days. Sure enough, by the second day the wine was roaring from the glass. The 1990 Lafite has turned out far better than my early assessment. While it still possesses some firmness, and performs like a late adolescent in terms of its evolution, it boasts gorgeous aromas of cedar, tobacco leaf, cassis, and lead pencil shavings. The explosive aromas are followed by a fleshy, full-bodied wine that should hit its peak in 5-8 years, and last for 25-30 more.” **Robert Parker June 2009 - 96 Points!**

*Pomerol, France*

"It is interesting how this wine continues to evolve. Unquestionably one of the vintage's superstars, the 1995 Petrus is taking on a personality similar to the extraordinarily backward, muscular 1975. This is not a Petrus that can be approached in its youth (i.e., the perfect duo of 1989 and 1990). The wine exhibits an opaque ruby/purple color, followed by a knock-out nose of pain grille, jammy black fruits, and roasted coffee. On the palate, it possesses teeth-staining extract levels, massive body, and rich, sweet black fruits buttressed by powerful, noticeable tannin. A formidably endowed wine with layers of extract, this is a huge, tannic, monstrous-sized Petrus that will require a minimum of 10 years of cellaring. Look for the 1995 Petrus to last for 50+ years. Anticipated maturity: 2007-2050." **Robert Parker February 1998 - 96 Points!**
